250 CARTRIDGE

BKHL-250 Premium Carbon and KDF™ Filter Cartridge

The Hydro Life 250 Premium carbon filter cartridge removes or reduces rust, lead, dirt, chlorine, limescale unpleasant taste and bad odor from your water. Hydro Life uses Granulated Activated Carbon to control taste and odor, while patented KDF Media prevents bacteria growth and reduces limescale, saving your equipment from costly repairs. High quality water is essential for beverage equipment to operate efficiently, better tasting beverages, more satisfied customers and ultimately your bottom line.

FOR USE IN MODELS:

- **BKHL-200E:** Retrofit for Everpure® filter head. (QL1, QL2, pQL3, collar style head)
- **BKHL-200:** Hot and cold drink equipment, water fountains, slush, and juice machines.
