Bon Chef proudly introduces its Triple Wall Color Cold Wave Bowls. Pre-freezing these bowls will keep your food cold for 8 hours at ambient temperature. Outer air chamber prevents the bowl from sweating while keeping the inner chamber gel frozen. Each bowl comes with a stackable plastic lid. In our test results, a bowl was put in the freezer until gel was frozen. 35° F potato salad was placed in the bowl without lid and stirred every 30 minutes. After 8 hours the potato salad was at 38° F.
