Portable Sinks with Laminated Cabinets

#PHS-S-H-LB portable sink

These **Portable Sinks with Laminated Cabinets*** require no additional plumbing. All you need is water and a 120-volt receptacle! Everything is self-contained, right down to the built-in scrap chute with waste can inside the cabinet!

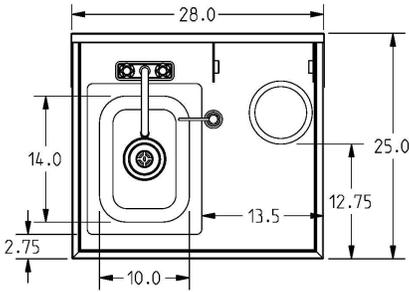

The durability of high-quality stainless steel construction is matched by the beauty of the cabinet base featuring Wilsonart® "Biltmore Cherry" laminant.

* Consult factory for NSF models.
