4-WHEEL DRIVE

NESTING MOBILE DISPLAY

WORKING IN

DINING OUT

The hotel lobby today is a lively hub for gathering, dining, and recreation. In today's experience-driven world, Eastern designs the 4-Wheel Drive where one product fits all. Guests want hotels to pay close attention to their individual needs and desires and create a truly customized stay. Use the 4-Wheel nesting table as a place of work, play, community, dining, and refuge, as its design and accommodations reflect all this.
