

This mini-catalog showcases the products and categories we supply and service. For our full selection, visit our website or reach out to us directly. We'll connect you with an experienced account manager. We value your business and look forward to building a positive relationship. Who knows, we might even become friends!

2024 MINI CATALOG

WHO ARE WE?

Hotel Restaurant Supply (HRS) is a family-owned and operated food service equipment and supplies dealer, serving small to midsize owner operators and regional chains across the U.S.A. We provide an online, one-stop resource and destination for all your hotel and restaurant supply needs.

Our state-of-the-art website is backed by our experienced, friendly staff committed to making your project a success.

PERSONALIZED DESIGN & BUILD SERVICES

We realize that making your vision a reality can be a daunting task. That's why HRS offers free design consulting and planning services that begin with your own dedicated account manager. Our experienced team is committed to providing personalized service from start to finish:

- Menu planning.
- Equipment selection that supports your menu.
- Dining and kitchen layouts designed to ensure the best flow for staff and patrons.
- Equipment installation and employee training.
- Coordinate with your architect as needed.

In addition to all these services, we offer **free shipping** on most products and 0% financing where available.

WHAT SETS US APART?

- **One-Stop Shopping** – Over **200K** of the most popular and trusted brands in stock, everything from consumables to commercial food service equipment.
- **Product Availability** – Able to deliver manufacturer direct from over 50 warehouses around the country.
- **Knowledgeable Personal Service** – Our commitment to customer-focused employee training ensures that your needs are met every step of the way – whether you're utilizing our website resources, live chat, email, or talking on the phone with one of our qualified sales associates.
