Features, Advantages & Benefits

High-pressure Laminate

- Tough .04" (.10cm) thickness high-pressure laminate for added durability and long-term wear.
- A large variety of striking colors and patterns are available to fit any cafeteria decor.

Table Top Solid MDF Core

- Laminate tops are made with extremely durable ¾" MDF core material that is stronger than plywood or particleboard, is light-weight, and resists warping.

SICO® ARMOR-EDGE®

- The most durable edge available.
- Provides an incredibly tough edge to take hard everyday abuse without damage.
- Hermetically seals the tabletop for sanitary purposes and prevents moisture from entering table top core.
- Proven track record for long-term durability.

Rigid Vinyl Backer Sheet

- Applied to the underside of the tabletops for moisture control and easy cleanup (including gum removal), stain resistance and fantastic appearance.
- Far superior to all types of paper backers.

Tamper Proof Expansion Rivets – Fastens tabletop firmly to the frame and will not work loose like ordinary screws.

Aircraft Lock-nuts – Tamper-resistant lock-nuts are used at all pivot points and won't loosen over time.

Pneumatic Assist - Makes folding and unfolding the tabletop quick and easy.

Tamper Resistant Lock – Used for locking the table into a fixed use position. Secured by tamper proof Allen wrench/hex screw system.

Offset Leg Structure - Allows plenty of leg room. No leg obstructions under table.

Black Powder-Coat Frame - Long-lasting durable finish that resists scratches and acts as a protectant.

Modesty Panel - Adds privacy under tabletop.

3" Dual-wheel, Swivel Casters – One person can easily roll and maneuver tables into service or storage. Rugged locking casters stabilize table.

Storage – Tabletop folds and nests in a minimum of storage space. Each additional unit requires only 10 ½" (26.7cm) of added space. Tops fold and tables nest for easy storage.

Free Space Analysis - Analysis drawings which will provide you with the appropriate number of tables and accessories.

Warranty – Protected by a **10-Year Warranty** on original Sico components, with a **Lifetime Warranty** on welds.
