

Chrome Signa-Air Stainless Lined Airpots

STAINLESS VACUUM INSULATED

Our **Signa-Air Chrome Lever Lid Airpot** features a stainless steel outer shell, providing an extra layer to protect the stainless interior. The stainless vacuum keeps contents warm for 4-6 hours—great for holding coffee for a long period of time. The easy-to-use lever lid is designed with convenient snap-on flavor indicators to hang under the pour spout. Keep track of them with the snap-on storage area on the back of the collar.
