

The Domino Oatmeal or Gravy / Soup Station Stand's clad water pan makes it induction ready!

1A19407CLDSET ●

The Domino Oatmeal or Gravy / Soup Station Stand SET holds 4.4 qt/4.2 ltr & the induction warmer is included (model 1AIW110V4). All Domino components share legs so you can weave together pieces to build it your way.

Going green made easy: When our induction warming system is combined with our chafers and urns, you only need 1.82 amps of power per chafers, soup or coffee urn. This makes our system the greenest in the world for heating your buffet, and enables you to run as many as ten induction warmers on a single 20 amp circuit. Having such a low power requirement will allow you to easily set up buffets in meeting rooms, or on the fly without fear of tripping breakers.

Induction for Dummies: Your staff turns it on and walks away.

- **Adjustable automatic shut off controller**
- **Auto temperature control between 170° - 180°**
- **Auto timer for 1-9 hours (preset at 6 hours)**
- **No fire hazards**
- **Consistent temperatures**
- **Safe and secure**
- **Heats chafers, not the room**

INDUCTION WARMER (model 1AIW110V4) INCLUDED

Specifications
